

Community Property Committee

Agenda

September 17th, 2015

Committee Members: Charlotte Mizzi, Robert Wallace

Old Business

1. Ask the Board to use leftover budgeted money for gravel and buying paint. This was done.

Board will use gravel from the road budget to do the front section of the soccer field.

Paul Rantalo volunteered to remove the weeds with the backhoe and smooth the surface before the gravel is put in.

2. Volunteers to clean out the existing building or asking youth from nearby schools utilizing the school's work program.

This was not done. We need discussion on clean up and painting of the building.

New Business

- ❖ Volunteers to clean out the existing building.
- ❖ Presentation for the November Election Meeting - Ask for input from attendees. Have a questionnaire flyer with the following ideas
 - Community Building with swimming pool, steam and sauna facilities, etc.
 - Walking Path around the perimeter of the recreation land with shrubs and trees.
 - Enlarge the existing building so it can be used for meetings, and multi-use community building.
 - Canopy outside the building for shade with picnic tables and a Farmers Market
 - Have a volleyball court
 - Other suggestions

"Change the name: All landowners to mail in suggestions.
